GRAND MAMS

Christina shows off her pokies just 4U!

She's no longer a teen sensation, but popster and actrine **Christina Milian** still looks so yummy that we'd swim through a croc-infested lake of light beer just to sniff her ovaries.

The 34-year-old's career is riding high at present following the success of her recently released EP *4U* and her ongoing role in TV sitcom *Grandfathered*.

Naturally, Christina is excited by how things are going, but not as excited as her NIPPLES, which were straining fit to bust against her tight tank top while on the show's set in LA.

"I have a lot of things going on in my life," the chestically-blessed star told one journalist. "I don't know if it's a hot mess but it's all very focused, I guess that's what happens when you hit your 30s."

We'll tell you something else that happened when you hit THE BIG THREE-OH, Chrissie: you became a whole lot more fuckable.

Who says ageing is bad? Not us.

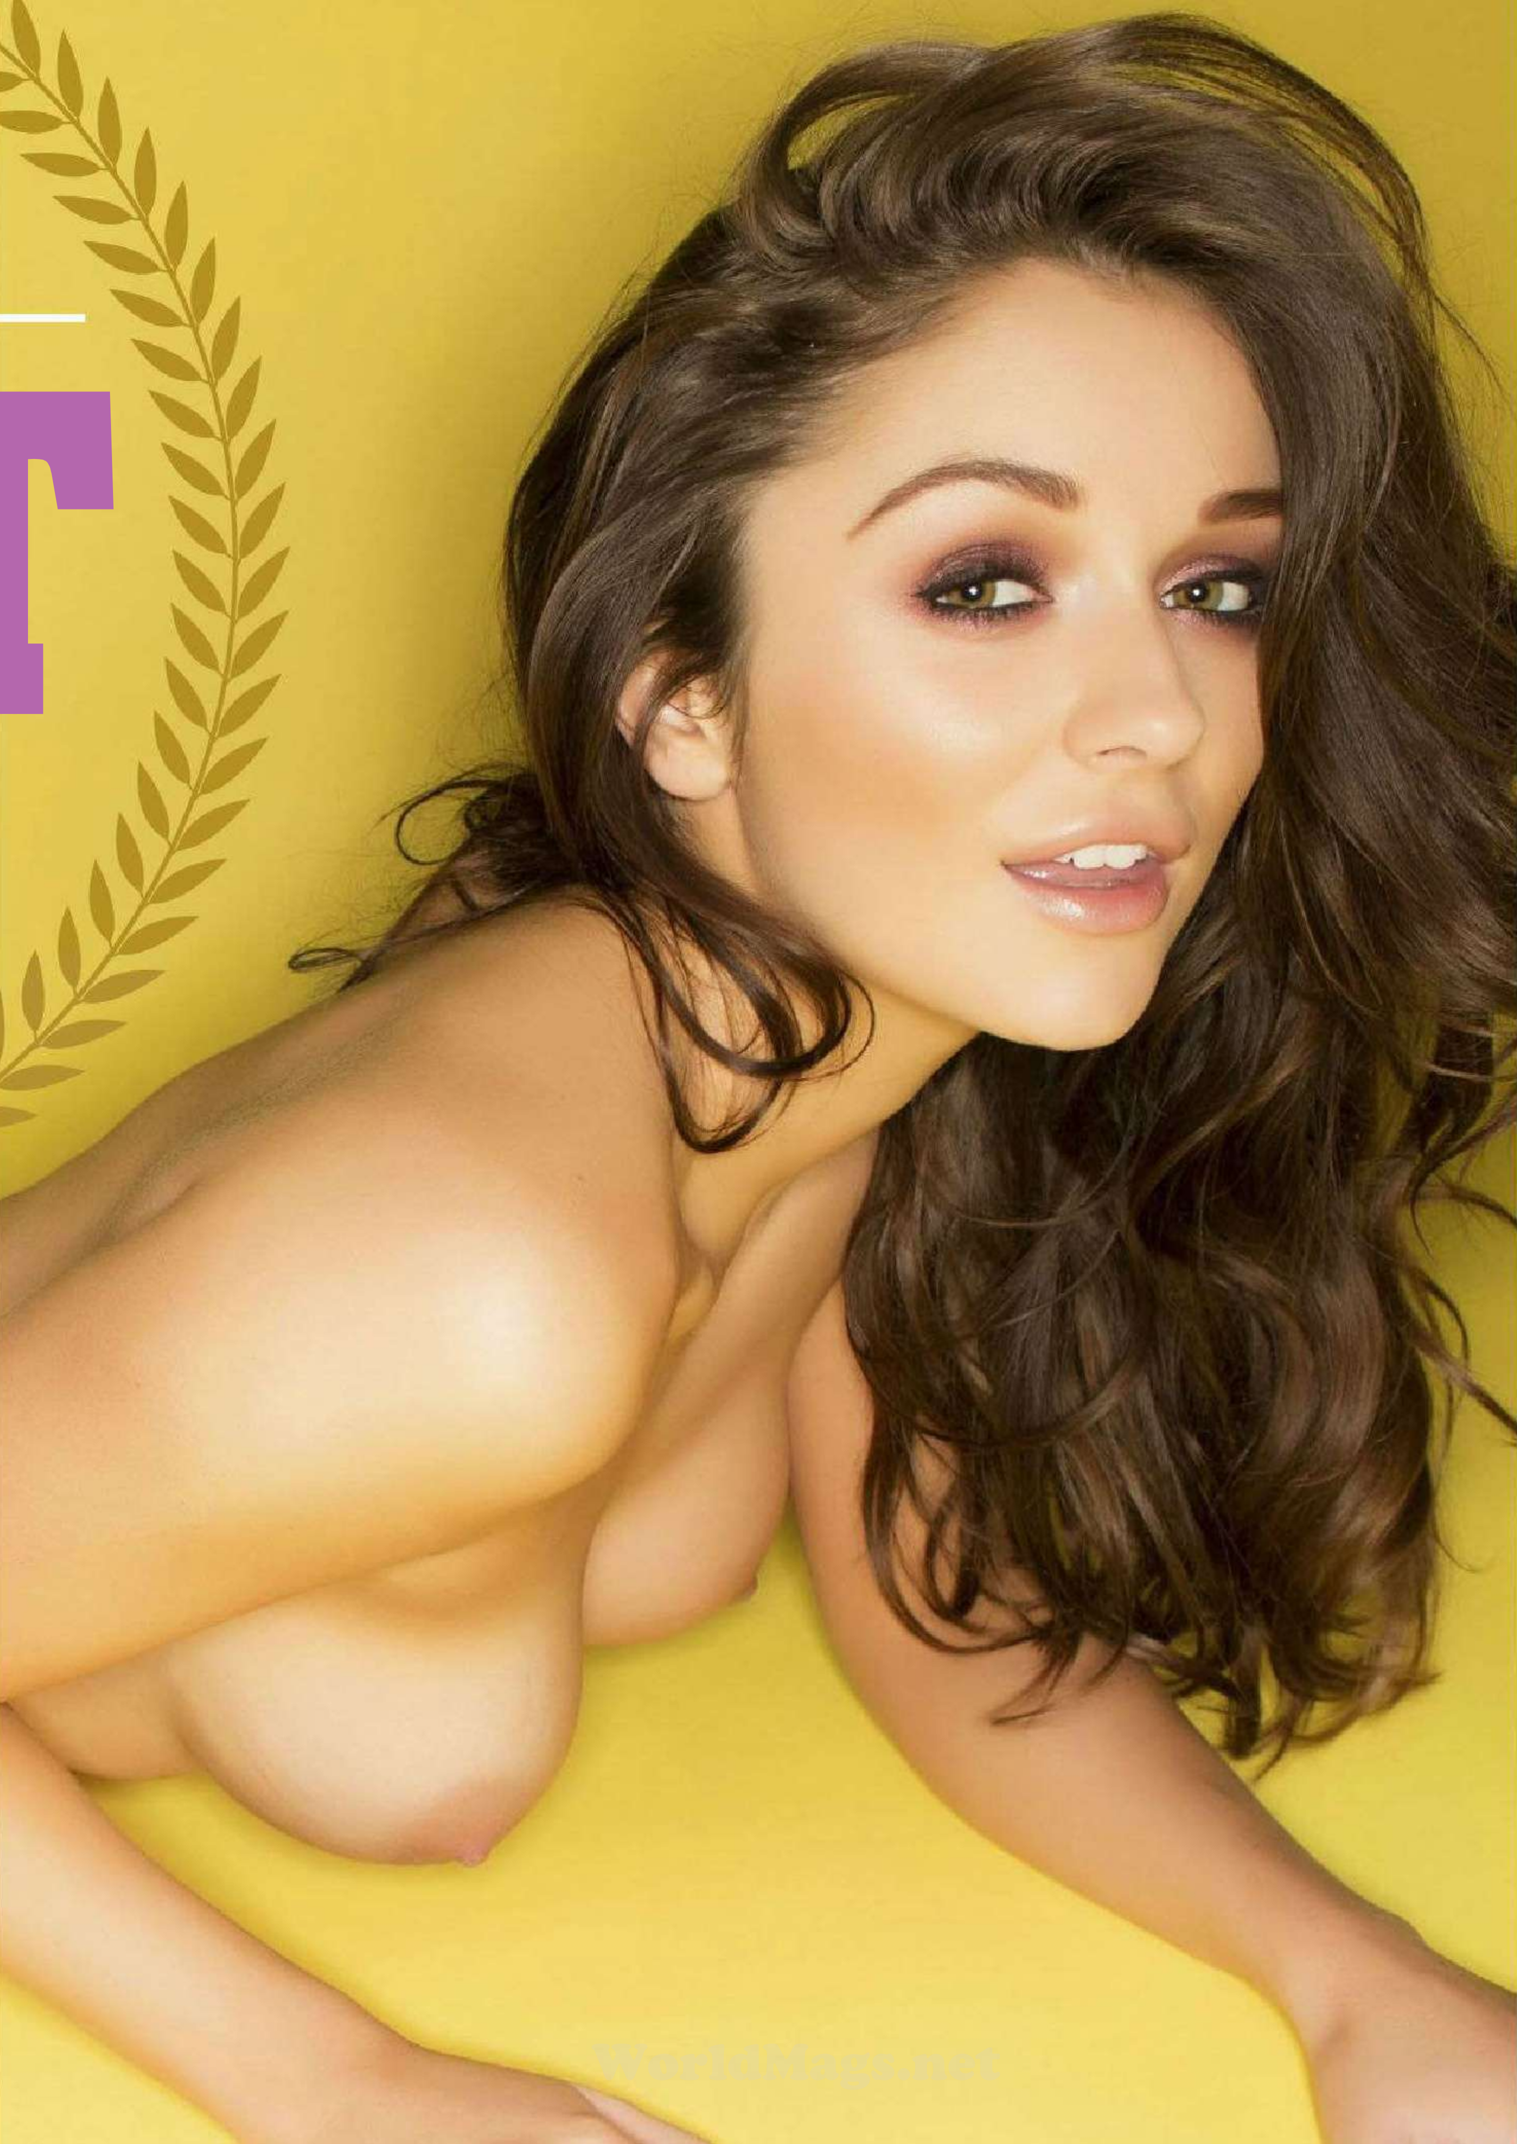
THE HEAT IS ON!

Summer's over and from the sound of that groaning, Wynters' cumming!

PHOTOS BY ADAM TURNER PHOTOGRAPHY



AUTUMN'S here and we don't give a flying fox! OK, that's not entirely true – we'll BLOODY MISS summer now it's gone.

Getting pissed under the hot sun is one of life's great pleasures, especially if you're in the company of a gorgeous British brunette sporting lovely lady-lumps!

Like **Caitlin Wynters**, who explains exactly what it's like to hang out with her in warmer climes.

"We'll be drinking and having loads of fun in the sun," she laughs. "Wine, champagne and the occasional margarita…if you're lucky enough to still be with me in the morning, just bring me a mimosa and I'm all yours."

Oh yes, morning cocktails are the best, especially in bed – in the nude – before we get dressed and drive to work.

Caitlin feels us – not literally, but the part about enjoying being starkers.

"I'm always parading in front of my windows with next to nothing on. Or get out of the ▸

'BRING ME A MIMOSA AND I'M ALL YOURS'

'I'M ALWAYS PARADING IN FRONT OF MY WINDOWS WITH NOTHING ON'

shower and stroll around for a while before putting a towel on."

That's an attitude we can really get behind.

"Actually, my flatmate's always coming home at really awkward times – when I seem to end up on the sofa naked instead of actually getting dressed. She'd tell you I don't EVER wear clothes."

And what would be the problem with that, Caitlyn?

It's high time the world's most beautiful women were legally allowed to walk around naked whenever and wherever they want. It's a crime against humanity to keep perfect bods like her covered under bits of cloth.

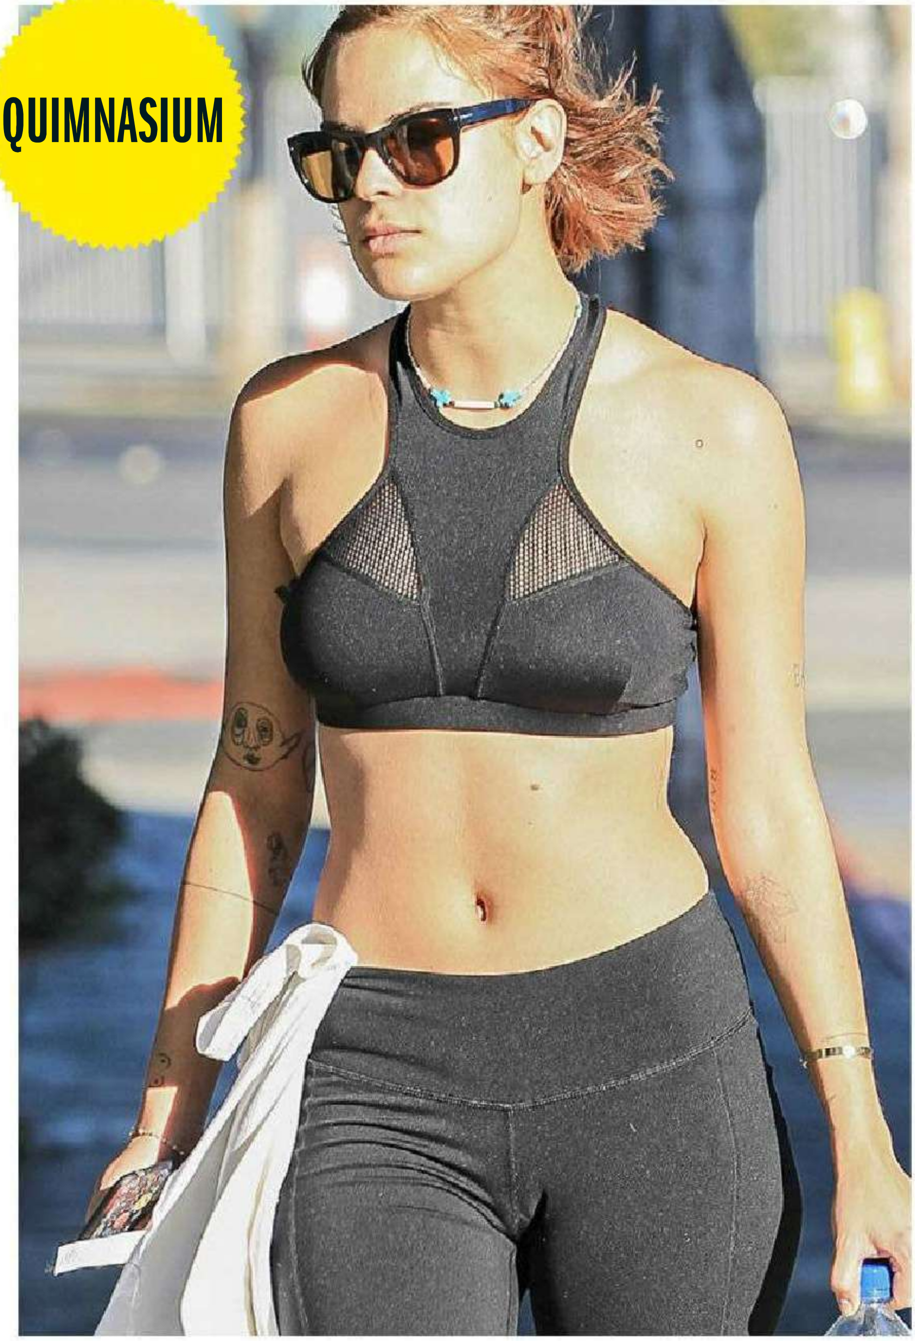
This wouldn't happen in a more enlightened part of the world…like AFRICA.

Speaking of which…

"I just returned from a sexy safari in South Africa. My friend's boyfriend brought along a friend and we shared a bed. But don't worry…I'm single. I need a man to keep me entertained!"

FULL FRONTAL The latest in nudity from around the globe!

QUIMNASIUM



DYNAMIC STRETCHING

BRUCE and Demi's youngest gal, Tallulah Willis, is looking fi-i-i-i-it. The 22-year-old was exiting her Beverly Hills gym when she crossed the sights of a waiting paparazzo. Speaking of sights, check out the camel-toe in Tal's work-out pants! We like to think that underneath the lycra the Hollywood royal has a neat RED CARPET.

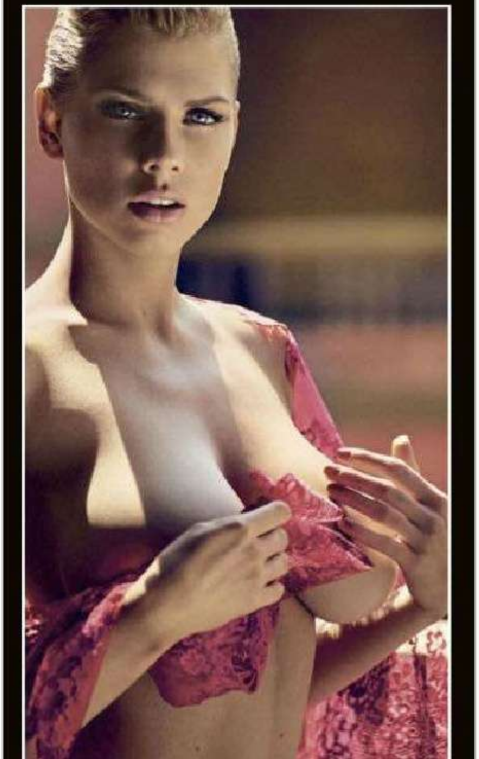
SEX-MEX SELLS

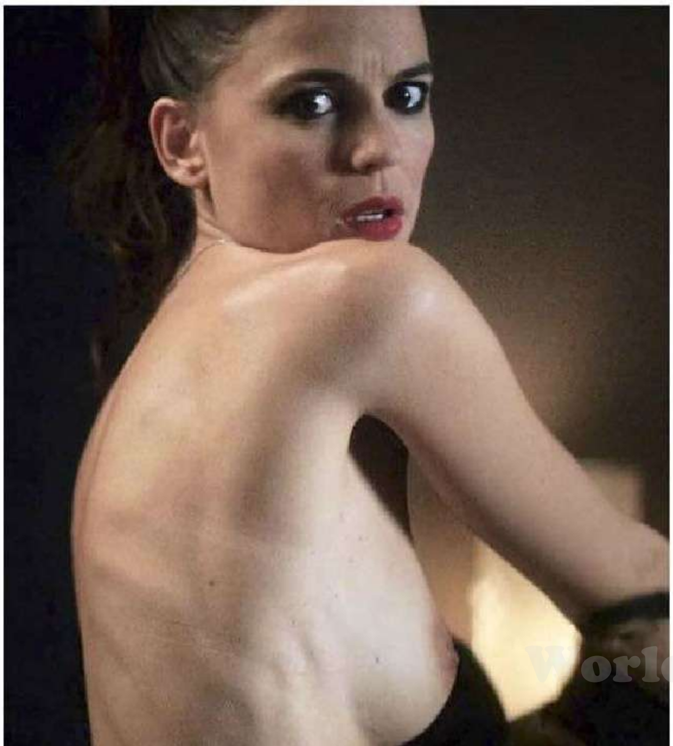
A PRETTY face will only take you so far in this world. A pretty face, long legs and mouth-watering chest melons will take you significantly further. All the way to *GQ Mexico* if you're 22-year-old Floridian **Charlotte McKinney**, tastefully captured by photo duo Hunter & Gatti for the mag's February ish. On the subject of tasteful things, it's tacos and Corona buckets night at our local. Woohoo!

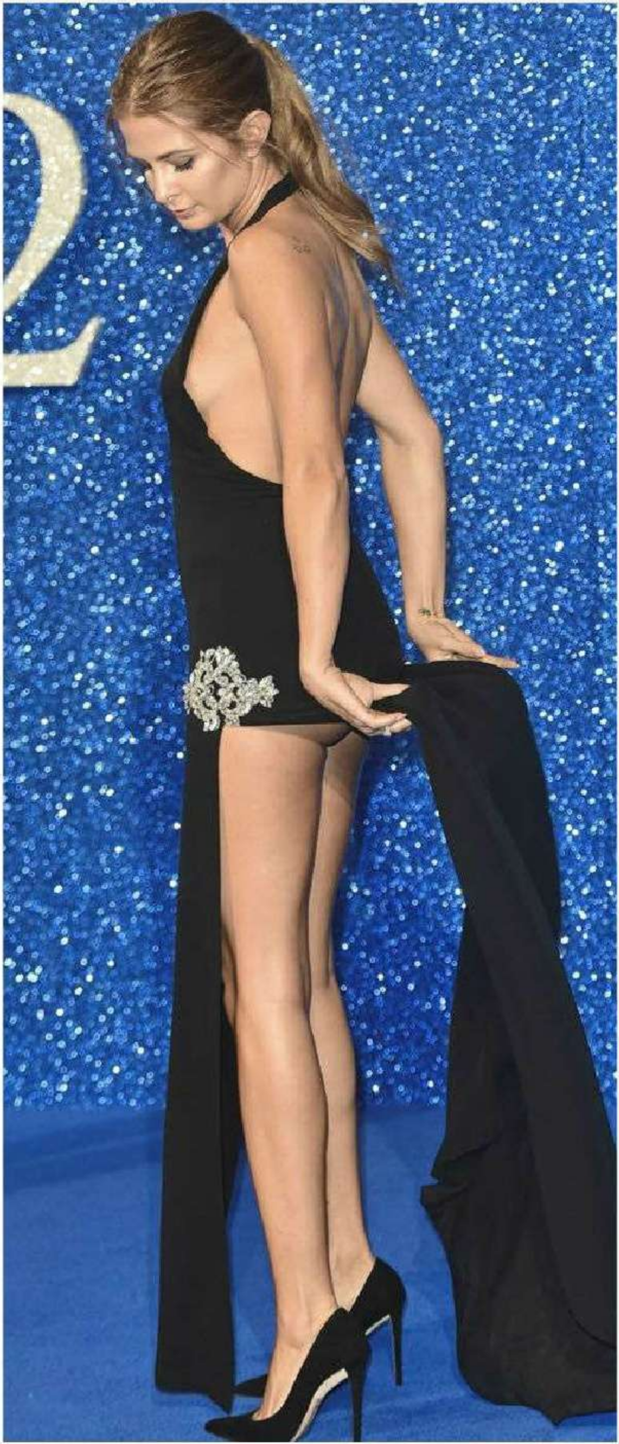


SWINGS & RUDE BITS

ELENA'S VAGEENA

POMMY flick *Swung* (2015) examines the effects of joining the underground swinging scene on a couple's relationship. She's doing it to get a story for a magazine, while he's doing it to overcome his impotence. But, of course, there are more consequences than they've bargained for. The important thing for viewers is that the she in question is played by Spanish beauty **Elena Anaya**, 40, who goes totally nood!





MILL POWER

UPLIFTING CINEMA

THOROUGHLY rootable **Millie Mackintosh**, 26, stole the show at the London premiere of *Zoolander 2*, combining sideboob with underbutt as she lifted her dress for the press for some strange – but awesome – reason. Forget Derek Zoolander, nobody strikes poses like this stunna!

POLISH ANGEL

SCHWING GIRL

POLAND'S edition of *Playboy* has persuaded the divine **Angelika Wachowska** to slip out of her ring girl attire for photographer Magda Turkel. Ang, 25, is normally surrounded by sweaty, bloody mixed martial artists at FEN (Fight Exclusive Night) events, but the whites and natural light in this shoot really bring out her feminine side...and front...and back.

JESS FOR KICKS

HART ATTACK!

AUSSIE supermodel Jess Hart must not know the US road rules. Otherwise, the Sydney-born 29-year-old – famous for her adorable gap-toothed smile – wouldn't be negotiating busy New York City traffic with her headlights switched to HIGH BEAM. Bad joke? Yeah, possibly. Good boobs, though.

NETFLIX
Chelsea
DOES...
SILICONE FREE

SHE SURE DOES

CLOTHES-HATING comedienne **Chelsea Handler** shocked no-one by going topless in her recent Netflix docuseries *Chelsea Does*. In the second of four episodes, which saw her "doing" Silicon Valley, the 40-year-old strode into the office of Twitter with her tweets out. Apparently, the CEO refused to meet with Chels until she chucked on a shirt. Pussy.

CATHY HEAVEN

THERE were too many XXX minxes to squeeze into our piece on Digital Playground's *Erotica FM* (see *Porn Watch*, pg18), so we decided to do a proper profile on one of its stars, Cathy Heaven. Born in Hungary 35 of your Earth years ago, this delicious brunette has racked up 150-odd filthy titles, while boosting her own rack to 34D. She's also become known as a bit of a DP specialist – and we're not talking Diet Pepsi.

PARTY FAVOURS

PASSENGER-SIDE FUNBAGS

ONCE upon a time, Britain ruled over an empire "on which the sun never set". Those days are gone. However, the Motherland can still boast an army of party poppets who never tire of flashing their sets. Which is even better. This anonymous "aspiring model" was either arriving at or departing from London's Funky Buddha nightclub. We dunno. Just enjoy the jubblies, OK?

SWEET POISON

GLYN AND LIZ DO THE BIZ

EVER wondered how long it was after the invention of the camera that someone proposed a two-girl nudie pictorial? About five seconds, we estimate. It's hard to go wrong teaming one skyclad spunk with another, and snapper Jason Dodson gets it very right in the January issue of webzine *Arsenic*. Of course, without Glynnis Garcia (darker hair) and Elizabeth Gunderson (tatt under breasticles), youse would be staring at a blank background... and probably only sporting a semi.

BURIED TREASURE

A PLOT involving a desperate fella tackling a gang of criminals in his home town isn't the sole thrilling aspect of 2015 release *All Mistakes Buried*. There's also the fine flabdabs-out work done by **Mecah Craig**. Alas, info on the busty actrine is in short supply. Ah well, at least the same can't be said of squizzes at her formidable cans.

MECAH'S PEAKS

SHARING THE LOVE

We think gorgeous UFC Octagon Girl **Arianny Celeste** is trying to tell us it's ROUND TWO.

IT'S NIPPY OUT

AT A RECENT David Jones fashion show in Sydney, radio and telly travel presenter Rose Jacobs – missus of lucky-as *Today* weatherman Steven Jacobs (also pictured) – put on a stylish display of her own. Her own left tit, that is! We predict it'll leave your outlook sunny for weeks.

WHACKO THE HADID-EL-OH!

THE March ish of *Vogue Paris* is available with a coupla different Mert & Marcus covers, one of which features **Gigi Hadid** FULLY CLOTHED. They shouldn't have wasted any thick glossy paper on that version, 'cos the alternate option sees the 20-year-old Californian goddess STARK NEKKID and cradling her bosoms. Whether you're a fashion-loving chick or a dude marooned on a desert island, it's the only version you need.

PERVERS' LANE

DREAM BODY

MOVIES about struggling actors tend to be as tediously self-indulgent as novels about struggling writers. There are exceptions, though. Like when the film – 2016's *Wishing For A Dream* – involves 33-year-old cracker **Sarah Malakul Lane**, a former Thai model/soapie star. Then it's YOU who'll be struggling. With your tummy banana.

COMING SOON

DANNI

EVER sunk a pool ball off the break, then proceeded to pot the rest of your balls without letting your opponent have a single shot? Farkin' great feeling, isn't it? Almost as great as the feeling you'll get in the trouser area when you behold our complete shoot of 28-year-old Perthling Danni in a future *People*. In the meantime, just imagine placing your cue in that rack!

PORN WATCH

Our no-holes-barred round-up of adult entertainment

ALL ABOUT EVA

EXOTIC cock-slurper **Eva Angelina** has announced she's come out of retirement (who knew she'd retired?) and has already filmed her comeback scenes with Naughty America. The 30-year-old California gal – who has an Irish, Chinese and Cuban heritage – has made more than 600 films since her debut at 18 in 2003.

But she quit the biz in 2014 – her vagina was probably begging for a REST – to focus on stripping and escort work.

"I'm going to be honest with you," she told one reporter, "you're not going to make a lot of money in this industry unless you're escorting."

But Eva must've missed the MONEY SHOTS, because she's back, legs akimbo, and her fans could not be happier.

Or hornier.

Did you miss me? 'Cos my tits missed you!

Rude bits

➔ We're sure it's not ACTUALLY called ***TED 3: A Japanese Porn Parody*** – it's probably got a wacky Japlish title like *Monkey Spank Happy Time* – but this new filthy send-up of the Hollywood *Ted* flicks (below) is a mind-fuck. Watching a talking teddy bear shagging nubile nymphos is either weirdly erotic or the end of civilisation as we know it, depending on your point of view.

➔ We love a mean bitch and they don't come any meaner than **Marsha May,** the star of *FemDom Ass Worship 27*. What's beaut about humiliating blokes while making them cum? "I love female empowerment," Marsha laughed. "I love bossing someone around who enjoys being dominated. I love watching my slaves suffer." Yings!

Stella and Tamara Grace (below right) get nude, which seems kinda pointless for a radio show

PORK-BACK RADIO

IT'S a US-based Digital Playground production, but ***Erotica FM*** is a very Euro-centric piece of filth with its cock-hungry cast coming from all corners of the EU, including **Jasmine James** (England), **Anissa Kate** (France) and **Subil Arch** (Russia).

Stella Cox – who hails from Italy – stars in this epic as a horny radio DJ who hosts a late-night show where listeners phone in to share their steamiest sex secrets. Which is basically an excuse to see a bunch of chicks who struggle with the English language get the saline implants banged out of them by donkey-dicked Viagra chuggers.

But it's way more romantic-sounding than that description, trust us.

Not surprisingly, all the saucy convo makes Stella randier than Randy Savage and she decides to make good use of her producer's flesh mike.

It sounds way more entertaining than every episode of Kyle and Jackie O's radio show ever made.

GUE OF
OWN

An in-depth…
OK, mostly
BULLSHIT look
at the 2016
NRL season!

LET'S put all the **National Rugby League**'s pre-season drug and doggy-cuddling scandals aside for one moment – along with the fact most of the 16 clubs are supposedly crying poor – and focus on WHAT REALLY MATTERS to punters: the 2016 season kicks off THIS THURSDAY!

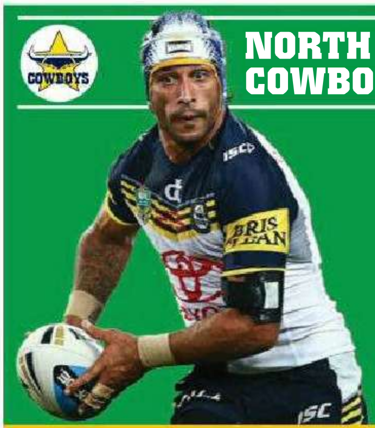
We're more excited about this bit of news than an 18-year-old blonde meeting her favourite player at her local RSL after necking a dozen Vodka Cruisers.

It means that dreaded several-week period between the end of the cricket season and the start of the footy season is officially over and we can again start planning our lives around watching every game on the telly or, better still, seeing a few of them live.

How will YOUR team fare this year? Check our handy club-by-club guide for a mix of insights and wild speculation.

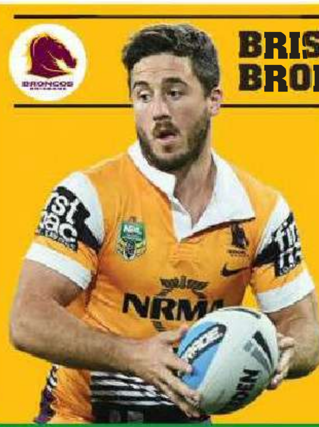
Now, where's the remote control and our beer-can hat?

NORTH QUEENSLAND COWBOYS



THE big test for **Johnathan Thurston** (left) and the rest of the 2016 titleholders is to keep their heads straight as they attempt to go back to back. Coach Paul Green is getting advice from AFL legend Leigh Matthews (who guided the Brisbane Lions to three consecutive flags) on how to do just that.

BRISBANE BRONCOS



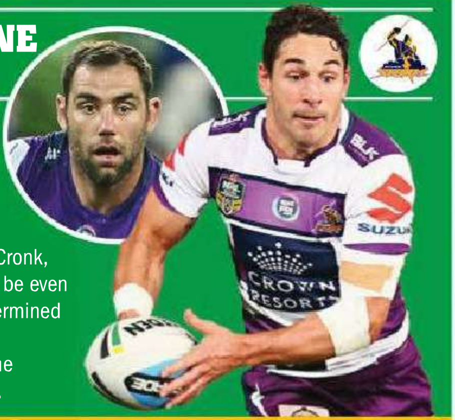
IF LAST year's runners-up can ignore the brouhaha about coach **Wayne Bennett** (above right) mentoring the English national team, they could easily go one better this season and take the flag. Anthony Milford and **Ben Hunt** (left) will star...again.

SYDNEY ROOSTERS

IT WAS shattering for 2016's minor premiers, packed with stars like **Jared Waerea-Hargreaves** (right), to bow out early. And they've done it TWO YEARS IN A ROW. Don't tell anyone, but we've put a lobster on the Chooks to achieve a dubious threepeat.

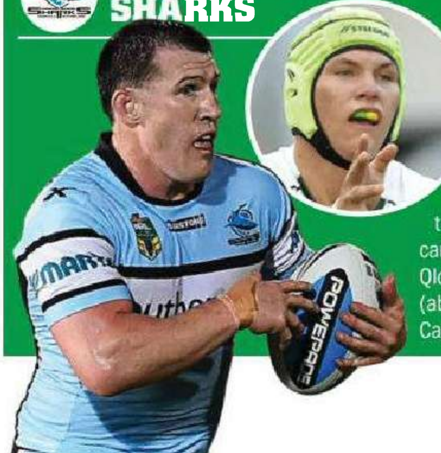
The next one who calls us "minor" is in major trouble!

MELBOURNE STORM



THIS could be the last go-round for club legends **Cameron Smith** (right), **Billy Slater** (far right) and Cooper Cronk, so expect the Storm to be even more focused and determined than usual as they aim for trophy glory while the magic trio is still intact.

CRONULLA-SUTHERLAND SHARKS



THE Sharks would love a premiership to send off inspirational captain **Paul Gallen** (far left) as he nears the end of his brilliant career. Keep an eye on Qld duo **Josh Cleeland** (above left) and Kurt Capewell to impress early.

CANTERBURY-BANKSTOWN BULLDOGS

THE Doggies will need to overcome their inconsistent form to be more than making up the numbers at finals time. Coach **Des Hasler** (left) has plenty of young talent, but he has to mould them into a solid unit that can play 80 minutes of premiership footy.

SOUTH SYDNEY RABBITOHS

THE club with the best nickname EVER need to recapture some of that 2014 magic as last year was a bit...forgettable. A revitalised roster – led by **Sam Burgess** (right) – could be enough to keep part-owner Rusty Crowe from throwing phones. Hopefully.

ST GEORGE ILLAWARRA DRAGONS

STRONG recruiting over the break could bring the Dragons plenty of success. Some have called them dark horses but, honestly, it's pretty clear they'll be threats in 2016, especially with a killer backline of **Josh Dugan** (right), Tim Lafai and mates.

CANBERRA RAIDERS

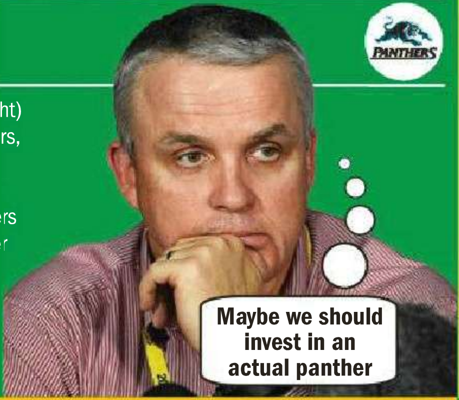
COACH **Ricky Stuart** (left) wants to take his youthful side a coupla spots further than in 2015 and make the eight. A favourable draw should help Canberra reach the play-offs. Watch for the likes of **Jack Wighton** (left) and Josh Hodgson. Those blokes can go.

MANLY-WARRINGAH SEA EAGLES

We'll stick to passing the ball backwards, thanks

MANLY needs to stop worrying about signing gridiron defector **Jarryd Hayne** (left) in 2017 and concentrate on the more immediate task of making the bloody finals! Eyes on the prize, fellas. Led by **Nate Myles** (far left), Manly's forward pack will test any defence.

PENRITH PANTHERS



Maybe we should invest in an actual panther

COACH **Anthony Griffin** (right) has a lot of promising players, but a distinct lack of star power following off-season departures. Still, the Panthers couldn't have a much shitter year than they did in 2015. Right? If the injuries are kept to a minimum, expect them to surprise more than a few teams.

PARRAMATTA EELS

WHILE we hope their victory in the Auckland Nines inspires Parra this season, they are still in a rebuilding period, so don't get your hopes up. Coach Brad Arthur – with the help of talents like **Kieran Foran** (above right) and **Corey Norman** (far right) – is poised to usher in a new era of success. Maybe not this season, but.

GOLD COAST TITANS

THEY weren't as dazzling last year as their home city can be, but if the Titans – with the likes of **Chris McQueen** (above Left) and **Greg Bird** (far left) – can fill in their weak spots, expect them to give things a real shake.

NEW ZEALAND WARRIORS

SURE, they lost the Nines to the Eels, but reaching the final was a victory in itself for the Warriors, who finished 13th last year. Can our Kiwi chums carry that good form into this season? While superstar halfback **Shaun Johnson** (left) remains injury-free, fan expectations will be high.

WESTS TIGERS

SUPPORTERS will be desperate for the Tigers to have more bite to back up their roar this season, even with the loss of such talents as **Keith Galloway** (above right). At least Wests still have **Robbie Farah** (far right) at the helm.

NEWCASTLE KNIGHTS

WE LOVE Newie, but it'll be hard for them to avoid consecutive wooden spoons after losing a ton of experienced players over summer. Of course, the Knights' promising youngsters and huge signing **Trent Hodkinson** (right) will be aiming to prove otherwise.

SURF'S UP

WOW-A-BUNGA!

We'd love to hang 10cc on these board-ridin' babes!

THE weather is warm, the sun is shining, the waves are high and the chicks are COMPLETELY FUCKING STARKERS!

We're stoked – it's a perfect day for duck dives (or turtle rolls), bottom turns, snaps, cutbacks, floaters and aerials.

But wait! The waves have gone flat, that joint you handed us is more parsley than weed and a shark just ate our feet.

Fuck this, we're paddling to shore to chat to the cossie-free surfin' sirens. Hopefully they'll ask for a closer look at our CLASSIC AUSSIE THRUSTERS.

Totally tubular, dude!

FROTHY FACT #1

SURFING has been part of Polynesian culture for centuries, with riders originally using very long wooden boards. The sport made its way to California in the early 1900s and is now popular all over the world. Some brave souls have even carved up the waves in Antarctica!

FROTHY FACT #2

IT'S fair to say Aussie gals have dominated women's surfing in the modern era, with Layne Beachley winning seven world titles (the most ever), Stephanie Gilmore six and Chelsea Georgeson one. Steph's still right up there in the rankings, too. Go, you good thing!

FROTHY FACT #3

MARVEL COMICS character the Silver Surfer first appeared in 1966 in *Fantastic Four #48*. His board is virtually indestructible and linked to him psychically – which beats a legrope any day. It can also attack on its own when required, like if some prick drops in on Silv's wave!

FROTHY FACT #4

FROM chick flick *Blue Crush* to gritty local doco *Bra Boys*, there are tons of surfing-related movies to keep you busy when there's no swell and no comps to follow on TV. That said, many people still regard 1966's *The Endless Summer* as the ultimate tribute to this sun-chasing way of life.

FROTHY FACT #5

FROM April 8-19, the top bloke and sheila surfers on the planet will converge on WA's Margaret River region for one of the most interesting events on the pro tour. The area features a ridonkulous 75 surf breaks spread over a 130km coastline that's almost as picturesque as this lil' honey.

FROTHY FACT #6

THE BEACH BOYS are closely associated with surf culture, mainly because it features in a number of their songs, most notably *Surfin' U.S.A.* However, the only member who regularly rode a board was drummer Dennis Wilson. He died tragically young and, according to his wishes, was buried at sea.

FROTHY FACT #7

PRO surfers are scored on their commitment, innovation, combos, the variety of their manoeuvres and the “speed, power and flow” of their technique. After a bit of jiggery-pokery, this results in a mark out of 10. Despite her being seated on a surf mat in a rockpool, we’d give old mate here a solid 9.5.

BLUE CRUSHES

SWELL

ALANA BLANCHARD

ONE the sport's many talented Hawaiian lasses, Alana, 25, has won her share of comps. We'd list 'em, but it'd waste time that could be spent perving on her sassy Richard Freeman shoot in Oz digest *Stab*. Bit of BAD NEWS, fellas: that dude on the cover is her beau, surfer Jack Freestone.

ESPN
BODY 2014

COCO HO

HAWAIIAN honey Coco, 24, has won awards from Rookie Of The Year to making the Top 5 in *Surfer* magazine's "Most Popular" poll three times in a row. The latter is VERY easy to understand when you check out the rad shots of her by Morgan Maassen in *ESPN* mag's annual "Body Issue" from 2014.

LAURA BLEARS

THE first woman to win money in a surfing contest, no sheila could touch Hawaii's Laura on a board back in 1973. But many blokes wanted to after seeing her spread in the July 1975 edition of US *Playboy*. She musta inherited her wild streak from her PRO WRESTLER dad, Lord James Blears.

BELLES

The female pro surfers you should be ogling!

AS THE preceding story clearly showed, there are plenty of CASUAL lady surfers who are more scorching than summer sand. However, there are also several pro board-rider babes who'd be more than welcome to hang their DRIPPING BIKINIS over our shower rails…then spend the rest of the day wearing nothing but a golden tan as they told us all about their wave-riding adventures. Speaking of WAXED PLANKS, it's time to admire these gals' gnarliest pics!

SAGE ERICKSON

CALIFORNIA gal Sage was a DESERVED INCLUSION in *Maxim* magazine's "Top 100" list in 2014. While her Instagram account ain't as racy as that of Ms Ashley (bottom right), it's worth a follow if you like athletic, beachy blondes with super-cute smiles. If you don't…er, better check that pulse.

MAXIM

WENDY BOTHA

SOUTH AFRICAN by birth, Wen had already earnt a world title before she became an Oz citizen in the late 80s. Fortunately, she then scored THREE MORE under our flag. This bombshell will always be ranked #1 in the hearts of many waxheads, thanks to her dazzling 1992 strip in *Australian Playboy*.

SALLY FITZGIBBONS

SAL, 25, is one of the best on the planet right now, with several World Tour victories to her name. She's an Aussie, a total sweetheart and, perhaps more importantly, she looks LIKE THIS. It'd be an honour to sit on the beach all day, minding her wallet and keys while she carved it up.

ANASTASIA ASHLEY

WHEN she's not riding barrels, California's Ana moonlights as a model. The 29-year-old surfette is followed by 1.1 million peeps on Instagram, which we suspect has a lot to do with her fondness for posting CHEEKY SELFIES. YouTube "Anastasia Ashley twerk" for examples of her outrageous warm-ups!

Woolly figures

A FARMER wanted to double-check the number of sheep on his farm, so he asked his border collie to count them for him.

The dog bounded off, circled the sheep in the paddock, then herded them into a pen. After counting them, he returned to the farmer and panted, "You have 60 sheep, mate."

"Hmmm, that's strange," puzzled the farmer. "At last count, I thought I only had 58 sheep."

The dog replied, "I rounded them up."

Tough sell

I WENT to an interview for a job in a computer store. After examining my CV, the manager handed me a flash new laptop and said, "OK, I want you to try to sell this to me."

So I put it under my arm, walked out of the shop and went home.

Soon enough, the bloke was frantically phoning me on my mobile.

"Bring the laptop back here right now or I'm calling the police!" he yelled.

"Sure thing," I replied. "$500 and it's yours!"

Immediately, the boy starts choking up. "Oh, my god, Dad! I can't believe this! Why couldn't you have been honest with me sooner?"

"Don't worry," reassures his father, "we only arranged it a week ago. Now go and pack up your stuff. Your new parents are on their way."

Floral tribute

A VEGAN chick was telling her girlfriend about her recent date.

"How'd it go?" her mate asked.

"It was terrible. He brought me two big bouquets of flowers. One was a bunch of roses. The other, lilies."

"Awwww, how sweet. What's so awful about that?"

"He said he brought two options 'cos he didn't know what vegans ate."

BENNY goes to the doctor and whines, "Doc, my wife is treating me like a car and I'm sick of it!"

"How exactly does she treat you like a car?" asks the doctor.

"If I lie face up in bed, she'll grab my dick and toggle it around, saying, 'First. Second. Third. Fourth. Fifth. Reverse.' And she'll sit there all night doing it! It's driving me insane!"

The doctor says, bemused, "There's a quick fix for that. Why don't you try sleeping on your stomach?"

"That's even worse!" Benny groans. "Then she'll stick her finger up my arse and ask, 'You want a half tank or full?'"

But instead of starting the meter, he just looks her up and down in the rear-vision mirror. After a while, the woman starts becoming ruder and more aggressive.

“I said take me to the fucking airport! Get a frickin’ move on! What are you staring at, you sexist pig? Haven’t you ever seen a nude woman before?”

Female bondage

THREE female friends – one engaged, one a mistress and one married – decided to wow their men by dressing up in leather bondage gear, stilettos and sexy masks.

The next day, they got together for drinks and chatted about their night.

The engaged gal giggled, “My man was soooo turned on. When he saw me in my outfit, he told me I was the love of his life, kissed me all over, then we made love for half the night.”

The mistress confided, “Well, when my man saw me, he nearly blew his load. He couldn’t wait to rip off my G-string and we rooted till the sun came up – with me still wearing my heels.”

The married woman sighed and said, “I sent the kids to stay at my mum’s house, lit candles, put on my leather gear and waited for my man to come home. When he walked in and saw me, he cracked open a beer, grabbed the teevee remote, and said, ‘Hey, Batman, what’s for dinner?’”

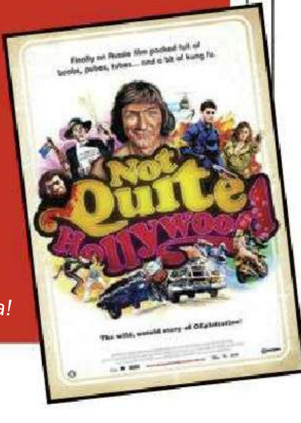
OZ ODDITIES

HOORAY FOR AUSSIEWOOD!

A MATE recently lent me the 2008 documentary *Not Quite Hollywood*. Wow! Australia churned out some sexy, violent and just plain sick flicks in the 70s and 80s. It made me wish I was an adult back then (I was born in 1992!), so I coulda enjoyed some of it at the drive-in, seated next to the sorta big-haired, big-boobed chick who the makers of those movies loved to cast.

Nick via email

Cheers for reminding us about NQH, *Nick. It's time we gave it a repeat viewing. Anyone who hasn't seen the doco, you're missing out on a hugely entertaining – and perv-filled – look at a crazy period in local cinema!*



Finally an Aussie film packed full of boobs, pubes, tubes... and a bit of kung fu.

UNBEARABLY GOOD

IN THE February 1 issue's *Bodysearcher*, you looked at 1988's *The Unbearable Lightness Of Being*. This was the second time in recent months that the section featured a movie I had coincidentally just rewatched. I first saw *TULOB* when it screened on TV in the 90s, then years later was fortunate enough to find a VHS copy at a library sale. Its stars, Swedish Lena Olina and French Juliette Binoche, are excellent examples of European beauty – and the film ranks highly in terms of Euro-nudity!

Matthew, NSW

Of course, it's an American film…but we reckon we know what ya mean, Matt. So here are front'n'back views of those two nude Europeans (that you didn't quite get in Bodysearcher*). As always, thanks for the feedback.*

GOLDIE-BASED **Andi**, 25, ticks all of our boxes. Female? Tick. Breathing? Tick. If that wasn't enough, she's blessed with the luck of the Swedish – to be a BEE-YOOTIFUL, honey-haired, impossibly tall goddess. When we found out Andi's also a masseuse, we blew our stacks and got on the blower immediately for all the juicy details!

WHAT made you choose such a hands-on career?
"I have mad skills…I know how to make people feel more relaxed and relieve tension."
Do all your massages have an… ahem, happy ending?
"Ha! A massage from me is happy from start to finish! But, sure, if the guy's willing to pay a bit extra, then I'll finish things off with a flourish. My magical fingers aren't just limited to great back rubs, but also amazing handjobs!"
What kind of blokes do you go for? Swedish male models?
"Actually, I'm attracted to men who are different and a bit exotic…who have flaws and quirks. Often, that's not someone who's what you'd call typically good-looking."
More like a fat cunt who works for Oz's leading men's mag?
"Sure, why not? I recently had a fling with an older guy who was

LUCKY DIP

Are you easily scared by horror flicks?

"No way! I'm a horror movie buff and enjoy tracking down the sickest flicks. *Cannibal Holocaust* was pretty messed up and it wasn't even technically horror! It was pretty full-on."

short, bald and had a bit of a gut. So he was somewhat 'ordinary' to look at, but he was strong, funny and knew how to arouse me. We had dinner together and I was putty in his hands. Literally dripping wet!"

There might be hope for us then. Does bedroom ability matter?

"Definitely. If you can't fuck for a long time and bring me to at least one orgasm, then we'll just have to remain friends. There has to be incredible sexual chemistry, but also that follow-through. With my older guy, we'd get the urge to screw all the time, whenever we were within arm's reach. He had this amazing curved dick that could make me come with just a few thrusts. Guys have to understand it's not about just jackhammering… technique is everything."

What about a gentleman's tackle? Got any preferences?

"A good girth is always nice but, honestly, it doesn't really matter. Some girls get turned off by a cock they regard as 'small', but it doesn't faze me as long as it can get me OFFFFFFFFFFF!"

Hear, hear! Just for future reference, what gets you off?

"Where to start? I love hot, dirty quickies when you're just so horny you can't control yourself. I like soft, sensual lovemaking, but also rough, angry fucking. A guy once came on my baps and licked it off my nipples – that was a big turn-on. And a massage is always a good warm-up for sex. Hell, I should know – I'm a professional! If you give me one, then I'll be sure to return the favour!"

NIEMIRA | 23 | The Centrefold, Dec. 21

WHAT'S YOURS, DARL?

WE TRIED vodka and water the other day. Tasted weird.

"Some say it's a great way to get drunk but without the hangover, since you're drinking water all night."

The old hydration game, eh?

"I don't think it works though. I guess the key's drinking good-quality vodka – it's a lot purer, which means you're not poisoning your body with the other shit they put in."

You know your stuff, Niemira!

BILLIONAIRE VODKA: If you believe the more something costs the better it is, the most expensive vodka in the world, Billionaire Vodka, is for you. It ONLY costs US$3.75 million for a five-litre bottle, but for that price it had better not come with hangovers.

DEAD-END CAREERS

WORLD'S MOST DANGEROUS JOBS

When hard work can kill you!

THERE'S no question that working for a men's mag is pretty fucking dangerous! There's the high chance of a violent, three-day hangover from Friday lunchtime drinks, not to mention the risk of sprained wrists from all that fapping over our gorgeous models. So it was a shock to discover there are poor bastards around the world stuck with jobs EVEN MORE LIFE-THREATENING than ours. These vicious vocations will make you wonder whether the weekly pay packet and free office stationery is worth the risk.

ICE-ROAD TRUCKERS

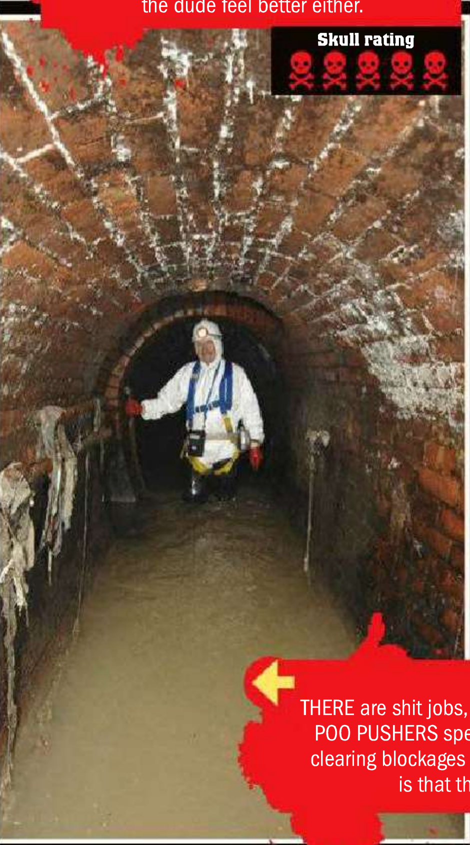
TRUCKIES can earn US$80K in 2-3 months hauling supplies over frozen lakes to diamond mines in Canada. There's riches and reality TV fame... IF THEY DON'T CRASH THROUGH THE ICE AND DROWN!

Skull rating ☠☠☠☠

TARGET HOLDER

THIS bloke thought he had a cushy gig holding a target post, till he realised an innacurate spray of machine gun bullets REALLY hurts. A "Whoops, sorry. I missed" isn't gonna make the dude feel better either.

Skull rating ☠☠☠☠☠



SEWAGE FLUSHER

THERE are shit jobs, and then there's...well, THIS line of work. Yep, professional POO PUSHERS spend their days wading through ARSE-JUICE in city sewers, clearing blockages of congealed lard and turds...BY HAND. Their biggest fear is that their obituary will state they DROWNED IN SHIT!

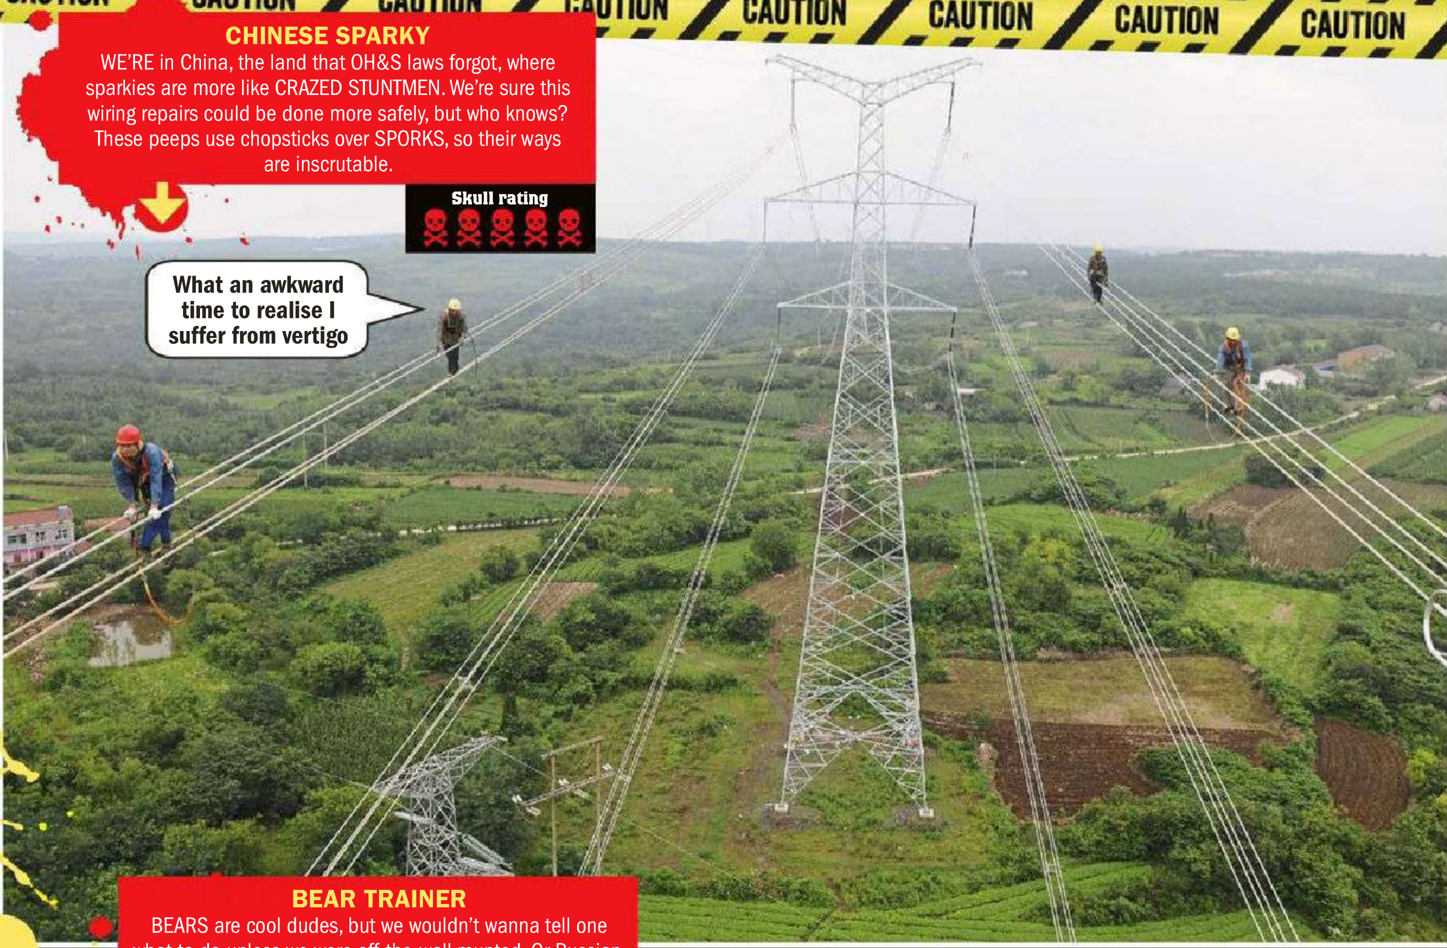
Skull rating ☠☠☠☠

Now, where the fuck is my box of nails?

CHINESE SPARKY

WE'RE in China, the land that OH&S laws forgot, where sparkies are more like CRAZED STUNTMEN. We're sure this wiring repairs could be done more safely, but who knows? These peeps use chopsticks over SPORKS, so their ways are inscrutable.

Skull rating ☠☠☠☠☠

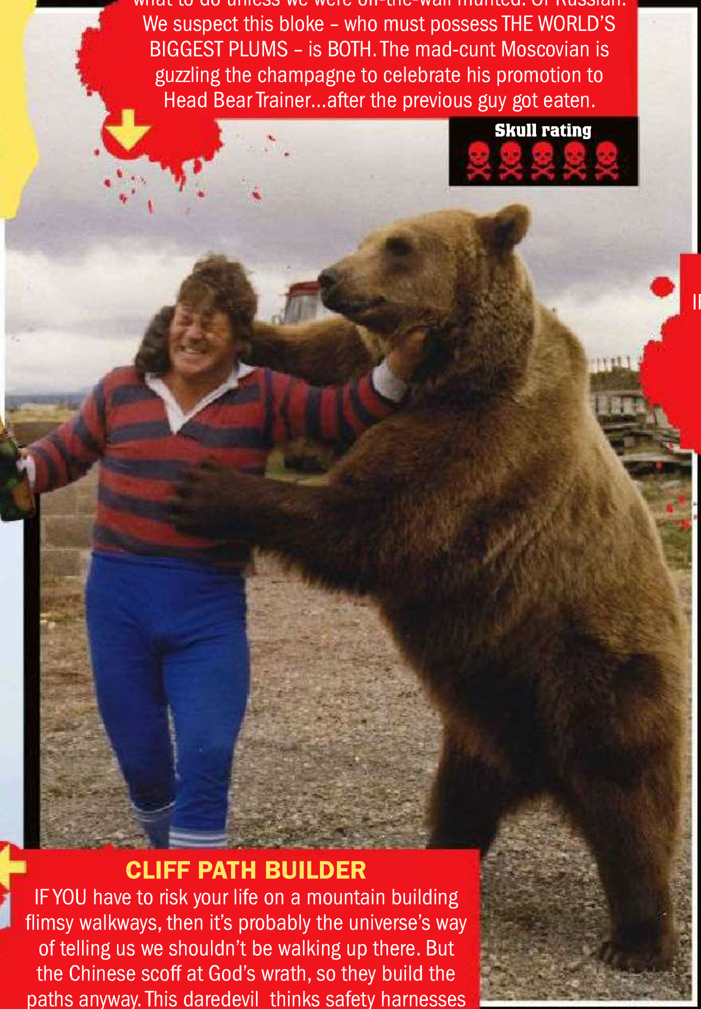


What an awkward time to realise I suffer from vertigo

BEAR TRAINER

BEARS are cool dudes, but we wouldn't wanna tell one what to do unless we were off-the-wall munted. Or Russian. We suspect this bloke – who must possess THE WORLD'S BIGGEST PLUMS – is BOTH. The mad-cunt Moscovian is guzzling the champagne to celebrate his promotion to Head Bear Trainer...after the previous guy got eaten.

Skull rating ☠☠☠☠☠



CLIFF PATH BUILDER

IF YOU have to risk your life on a mountain building flimsy walkways, then it's probably the universe's way of telling us we shouldn't be walking up there. But the Chinese scoff at God's wrath, so they build the paths anyway. This daredevil thinks safety harnesses and crash helmets are for decadent western pussies!

Skull rating ☠☠☠☠☠

DICTATOR LOOK-ALIKE

IF IT isn't bad enough being hired for resembling Iraqi dictator Saddam Hussein – and facing death daily while being used as a decoy for assassins – there's the aftermath when your boss DOES get killed (Hussein was offed in 2006). How many jobs for Saddam look-alikes are out there? Less than none.

HISTORY'S CRAPPEST CAREERS

Powder monkey: In the 18th century, ships used young boys to carry volatile gunpowder on the decks and also to load the cannons during battle. Life expectancy was short.

Adolf Hitler's food taster: During WW2, the Nazi cunt employed 15 women to taste his meals before he ate, 'cos he was scared of being poisoned by one of his many enemies. Did we mention he was a cunt?

WW1 fighter pilot: British flyboys were so inexperienced in air combat they had an average life expectancy of 18 minutes, and were nicknamed "The Suicide Club"!

Chimney sweep: Forget what you saw in *Mary Poppins* (left) – the reality for these dudes (again mostly kids) was death or nasty lung-related diseases while cleaning rich pricks' soot-choked chimneys.

Charisma Carpenter

She was hot in *Angel*, but she's hotter with her boobs out

BOUND

Spunk exudes raw charisma in erotic rip-off!

IT'S the nature of the beast that for every Hollywood blockbuster produced, there's a low-budget rip-off that's shat out at the same time to cash in on the hype.

For example, the same year *Thor* (with Oz's own Chris Hemsworth) appeared in cinemas, some clever cunts produced the TV movie *Almighty Thor* (starring Richard Grieco and rassler Kevin Nash).

And a year after the original *Star Wars* smashed box-office records, 1978's *Battle Beyond The Stars* turned up in movie theatres. It had the same plot, was made for less than the smell of an oily rag and starred Richard (John Boy from *The Waltons*) Thomas.

You get the idea. So it was no surprise that last year's steamy smash hit *Fifty Shades Of Grey* (see last issue) would lead to some canny producers rushing out an el cheapo sleazefest titled *Bound*.

What WAS surprising was the casting of ex-*Buffy The Vampire Slayer* and *Angel* hottie **Charisma Carpenter** in the lead role – and it was EVEN MORE SURPRISING when she GOT NEKKID in several jaw-dropping sex scenes!

Caz's fans were ecstatic about her bold decision, although a little disappointed that she chose to strip off now she's the ripe old age of 45 and not TWENTY YEARS EARLIER!

Bloody cocktease.

COOKIE D'OH!

TWO Poms were found guilty of stealing $41,000 worth of chocolate BISCUITS, which they hauled off in a trailer. Seems Aaron Walsh, 25, and Anthony Edgerton, 35, like their tea and bikkies a bit TOO much. Edgerton was also convicted of attempting to steal nearly 2000 cases of lager! We applaud his criminal desire to aim for the sky.

FUCK-OFF FACTS

- ■ When the creator of the Frisbee, Edward "Steady Ed" Headrick, passed away, his cremated remains were moulded into Frisbees.
- ■ In medieval weddings, the purpose of groomsmen was to help the groom kidnap his bride, then defend her from capture or prevent her from escaping!
- ■ In the 1960s, the CIA tried to turn a moggy into a spy to eavesdrop on foreign officials. They surgically bugged a cat with surveillance equipment, but it was hit by a taxi on the test run!
- ■ The cookies eaten by the Cookie Monster on *Sesame Street* are actually rice cakes with brown dots painted on.

IN A WHILE...

A CHEEKY practical joker was arrested in Florida after chucking a metre-long alligator through the drive-thru window of a fast food restaurant. Joshua James, 23 allegedly cried, "See ya later!" to the alligator when he threw it. Which is petty clever, to be fair.

YEAH, yeah... we've all seen millions of grumpy cats on the net... but DAMN! We don't think we've seen one as PISSED OFF as Albert the Persian. BUMPY RIDE

EAGLE-EYED cops nabbed this bloke trying to cross the border in some godforsaken country in Africa despite his clever attempt to hide in the car bumper! WORK AND PLAY

KAREN and I met on the first day of training on a new job. She was in her early 40s, bordering on "cuddly" with hefty hooters that looked to be about two handfuls each. I couldn't resist a crack at them so I invited her out for a drink that Friday.

The texts we sent back and forth before meeting up were pretty flirty and definitely made me feel relaxed in knowing she was keen for some bedroom play.

I arrived at the bar and noted that it was attached to a cheap hotel.

I ordered Karen a nice cocktail, then another one and before we knew it, we were both drunk with our hands on each other's thighs.

She gave me a hot kiss, then said she'd cheekily booked a room upstairs for the night.

"I'll be too pissed to drive anyway," she said. Worked for me.

I couldn't wait to get up there and get my purple python in between those massive cans I'd been lusting over all week.

Karen eased out of her dress and, with no mucking about, we fucked each other frantically for about 10 minutes with her riding me hard. Watching her boobies bounce about was better than ANY fantasy I'd wanked over many times in the privacy of my flat.

> **'KAREN WAS WETTER THAN A DROWNED OTTER'**

Karen was wetter than a drowned otter, too. At one point I rubbed her clit and watched a pool of pussy juice run over my knuckles while she rocked on my root-stick.

She was a REAL shag-happy sex kitten who was well-and-truly going for it! We fornicated three times that night and once more in the morning for good measure before checking out.

There was no awkwardness either, which is pretty great because I'm hoping for some at-work roots with Kaz in the coming weeks!

THAT SINKING FEELING

Mark still lives with his parents and 19-year-old sister Emily.

We were fooling around in the family bathroom one arvo and I gave him head.

I managed to lock the door first before excitedly spending the next 15 minutes slowly sucking his eight-inch member.

All was bliss until Emily started banging on the door saying she needed to pee.

"Do it in the garden!" yelled Mark, which only made his sis bang louder.

I sped things up using my hands. Mark gritted his teeth and exploded in my mouth. I never swallow so I spat his gonad gunk in the sink.

> 'WE FOOLED AROUND IN THE BATHROOM'

But in my haste to clean ourselves up, we forgot to turn on the taps to wash it away.

When we got out, Emily gave us a dirty look, then peered at the sink and snarled, "Don't spit your loogies in the sink, Mark!"

There was a pause and a horrified realisation flashed across her face.

"That's DISGUSTING!" Emily cried, then pointed at me, "You dirty bitch!"

Me and Mark laughed so hard and got the hell out of there. Now, most of our sexual activities happen at my place!

CHUB-HOPPING

MY MATE Macca is a mad cunt. Last year he won heaps on Keno and shouted me a trip to Las Vegas for a week of booze and gambling.

We hit some club or other late on the first night where I ditched Macca after spotting a crazy hot Latina girl dancing like nothing else.

This chick really knew how to bump'n'grind. I wondered if she'd be as good in bed as she was on the dancefloor.

I moved in and casually brushed my arse against hers.

She gave it a cheeky slap and turned me round to put my hands on her hips. Hey! Anything goes at 3AM!

I moved in quick for a kiss and slipped my hand between her thighs, stopping just short of her pussy. With the lights flashing and the music pounding I went up further and starting fingering her extremely wet vadge right there in the crowded room. She was dripping with excitement!

> 'I CASUALLY RUBBED MY ARSE AGAINST HERS'

I rubbed my index finger nice and slowly up and down her slit as she leaned her head back and closed her eyes.

Suddenly, she opened them and said, "I can't believe I'm letting some gringo finger me in public," before biting my ear and taking me to the nearest dunny she could find.

Thanks to the copious Budweisers I'd smashed that night I was able to fuck my bronzed beauty for ages before blowing my load.

I asked her to come back to my hotel room for more sex and a pillow to rest on, but this hottie was more interested in getting back out there on the dancefloor.

I had to admire the chick's amazing stamina.

But I was too buggered by that point so I went to find Macca – AND Macca's!

FEMME FACTS

Name: Caprice

Age: 23

From: Adelaide, SA

What's the guts? Caprice on a beach? Sounds like your favourite cocktail, only twice as exotic. Want a taste, fellas? She's fucking delicious!

IF WE won Keno, the first thing we'd do is stuff our favourite yellow budgie smugglers into a suitcase and make our way to **Caprice**'s doorstep in Adelaide. We'd then spend the rest of our lives rooting madly in EVERY outdoor place we can think of…especially the beautiful beaches that the City Of Churches has to offer.

IT'S a good thing you're naked. No tan lines!
"As long as they're tan lines and not BURN LINES, then I think it's sexy! It shows a girl loves her outdoor activities – like having sex on the sand. But yeah…there's nothing hotter than a woman in her birthday suit while water trickles down her bare breasts and buttocks. And it costs nothing. Full-body tan guaranteed!"
What do you think of budgie smugglers, Caprice?
"What's not to love about them? And the bigger the man's balls the better! It just makes me want to grab and squish them."
Go right ahead! Speaking of HEAD …how would you give it on the water's edge?
"I'd have the guy on his back and me on all fours, twisting my tongue slowly around his knob while I tickle his balls. I never met a man who didn't enjoy it – it drives them wild and he's sure to buy a nice dinner afterwards."

'THE BIGGER A MAN'S BALLS THE BETTER'

Only after a spot of doggy, eh?
"Doggy's great when I'm feeling lazy. Otherwise reverse cowgirl is my ultimate favourite. I can do a 360° twist on a dick – hands-free! It's like the Wild West."
Have you ever tasted your own pussy juice?
"What girl hasn't? My pussy juice tastes like strawberries and cream."
Are you big on arvo BBQS? We'd like to see you eat sausage.
"Sucking on a sanga while pretending it's a penis is my BEST party trick. Especially when it gets lost down my throat…"

Michelle's on the filthiest vacation of her life!

PHOTOS BY MET-ART

FEMME FACTS

Name: Michelle
Age: 22
From: Helsinki, Finland

What's the guts? She sometimes gets homesick for Finland, but Michelle then looks at the Aussie studs surrounding her – and all the great ANAL SEX – and thinks, "To hell with Helsinki!" Fair call.

'I WAS BENT OVER THE BONNET OF HIS UTE'

★ ★ ★

THE best advice **Michelle**'s mum could have given her was this: "Take a gap year and get the fuck over to Australia!"

Great advice. The only looking back the 22-year-old Helsinki native's done takes place whenever she's getting slammed up the bum doggy style!

"Sometimes I get homesick for my family in Finland, but then I remember how cold it is there and how much great arse sex I'm having here," she says.

There's nothing like letting life grab you by the scarlet short'n'curlies (if she had any) and Michelle's done just that.

"Before my visit I had a long-term boyfriend, but he was starting to get too staid in the bedroom," she explains.

"However, the casual holiday hook-ups I've had in Oz have revitalised my sexual desires.

"I had great times with a few backpackers when I first got here, but it's the locals who've stolen my heart."

Aussie blokes have a habit of doing that, Mickey, especially after wooing a gorgeous chick with a Chiko roll and a chilled bag of goon.

"I love it from behind," she sighs. "My ex had a religious issue with butt-fucking, but thankfully I've found a few guys in Oz who've shown me how mind-blowing it can be. Like the dude from Byron Bay who did me over the bonnet of his Kingswood ute while the sun set over a secluded beach. I was wearing nothing but a smile as he screwed me to multiple orgasms. I could barely walk afterwards – he fucked my butt so good!"

Well, Michelle, it sounds like you've got a LOT to write home about! Maybe not to your ex-fella, though.

TOM CLANCY'S THE DIVISION

Ubisoft, out March 8, RRP: $99.95 (Xbox/PS4)/$89.95 (PC)
What's the guts? When a deadly pandemic is unleashed by terrorists, it sweeps across the USA. Society swiftly falls apart and only the strong, the brave and the well-armed will survive in this brutal new world. Find food and safe shelter, shoot bad guys and try really hard not to die. A walk in the park, right? Pass the tissues…and the ammunition.

Anything else? *The Division* features cutting-edge graphics and stunning gameplay as you assume the role of a member of the Strategic Homeland Division or "The Division". It's up to you to restore law and order to cities that have descended into chaos. But when you're up against a worldwide conspiracy, things are never as simple as they seem.
Final word: The end is nigh…and it's fucking awesome!

WIN!

WE'RE giving away FIVE Xbox games, thanks to our mates at Ubisoft. To win a copy, **just tell us IN ONE SENTENCE the worst virus or disease you've contracted.** The five sickest answers will score a game. Mark your entries "*Tom Clancy's The Division* comp".

XBOX ONE
TOM CLANCY'S
THE DIVISION

The Night Before

Universal Sony, rated MA, out March 3, RRP: $39.95 (DVD)/$44.95 (Blu-ray)
What's the guts? Three best friends who've celebrated every Christmas Eve together for a decade hit their mid-30s and decide it's time to grow up and end the annual tradition. They organise the mother of all blowouts, so they can go out in style. But things go hilariously awry, leading to the most unforgettable Xmas Eve of their lives... But will they make it to Xmas Day alive?

GORDON-LEVITT ROGEN MACKIE
THE NIGHT BEFORE
THREE BEST FRIENDS
ONE EPIC PARTY
MA 15+

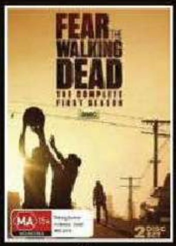
Anything else? With stars Seth Rogen, Joseph Gordon-Levitt and Anthony Mackie as our hapless heroes, you know what to expect: plenty of sex'n'drug jokes and vomiting in churches. Yep, if you thought *This Is The End* and *The Interview* were offensive, just wait till you check out *The Night Before*. Of course, you'll probably be laughing too hard to find time to be offended.
Final word: It's the morning after they should fear.

WIN!

THE champs at Universal Sony have provided FIVE DVDs for this giveaway. To enter, **just tell us IN ONE SENTENCE your best Christmas memory**. The five most heart-warming answers will land a DVD. Mark your entries "*The Night Before* comp".

Fear The Walking Dead

eOne, rated MA, out Mar. 2, RRP: $34.95 (DVD)/$39.95 (Blu-ray)
What's the guts? Yet another deadly virus (see above) is killing tons of folk, then reanimating their corpses as flesh-hungry ghouls. Yikes – not your average cold, then. A dysfunctional big-city family watches the unfolding horror with a mixture of confusion and mounting terror. As society falters and the dead rise again, they must quickly resolve their issues and work together if they hope to get out of the city and survive the impending apocalypse.



Anything else? If you love *The Walking Dead* – and, frankly, who doesn't? – then you'll appreciate this gripping prequel, which shows how the world got to be as zombified and fucked up as it is in the main series. This is how the end of the world begins.
Final word: That virus killed my editor. No... wait, he just stood up. He's OK! Yay! Now, stop biting me! Bad boss! Bad boss!

WIN!

THE living folks at eOne have sent us FIVE DVDs for this contest. To enter, **just tell us IN ONE SENTENCE your preferred method of offing zombies.** The five most brutal answers will win a copy. Mark your entries "*Fear The Walking Dead* comp".

KANYE DIG IT?

Wild West has foot-in-mouth disease

IT PAINS us to say this, but we're pretty sure **Kanye West** is an addict. Just as the alcoholic gets smashed on booze, and the junkie loves his smack, Kanye gets high as a kite on HIMSELF.

You might say he's a Kanye-holic. And while there's AA and rehab for those other conditions, so far there's no known cure for Kanye-holism.

But it's a disease, so let's not blame him. Let's get behind him and try to help. In fact, Kanye himself has already started fundraising to find the cure.

Just the other week, he reached out to Facebook founder Mark Zuckerberg, asking him for $1 billion, presumable as seed money for a medical research foundation to find an answer to his terrible addiction.

Which would easily cover the $US53 million Kanye has admitted being in debt for, plus some nice change.

We just hope the Zuck-man coughs up the cash, not just for Kanye's sake, but for the rest of us, too.

Because while we have pity in our hearts for the man, the symptoms of a man in the grip of Kanye-holism can be disturbing to observe.

Did we say disturbing? Make that fucking annoying.

Not wanting to be cruel or anything, but we'd rather clean out the pus-filled sores of someone suffering from a tropical wasting disease than endure the pitiful rantings of a man trapped in the downward spiral of severe Kanye-holism a moment longer. Just as the "greatest living rock star of all time" – that's Kanye's description of Kanye, by the way – released the "greatest album of all time" (his take on his newie, *The Life of Pablo*) through our veil of sympathetic tears we recalled some horrific outbursts that are the outward signs of Kanye-holism taking hold:

🗣 "My greatest pain in life is that I'll never be able to see myself perform live." Mate, we share that pain. We can't afford the tickets either.

🗣 "I'm the No. 1 most impactful artist of our generation. I am Shakespeare in the flesh." Yep, if Shakespeare was around today, he'd be a celebrity rapper and a designer of expensive trainers.

🗣 "I'm like a vessel, and God has chosen me to be the voice and the connector." Well, they do say the big fella works in mysterious ways...

'I'M TRYING TO MAKE A CURE FOR CANCER, MUSICALLY'

🗣 "The Bible had 20, 30, 40, 50 characters in it. You don't think that I would be one of the characters of today's modern Bible?" Kanye's not talking about being the third apostle from the left, either.

🗣 "Every time I make an album, I'm trying to make a cure for cancer, musically." Actually, that one gives us hope Kanye – or Dr West, to give him his full title – has the medical know-how to find a cure for his own condition.

And so on – Bill Cosby is innocent...Taylor Swift wants his babies...and Italian fashion label Fendi were idiots for passing up his idea for leather jogging trousers.

Pitiful. So if Zuckerberg doesn't come to the party, the rest of us may have to chip in to help the poor fella out.

We've taken up a collection round the office and we're in for $1.23. Come on, who's going to match it?

HOT ENGLISH MUFFIN

IS IT hard getting motivated to exercise when you're back in cold England?

"I reckon! Thankfully, I'm pretty fit, so I don't need to work out as often as other gals. But I miss training in the sun and getting a tan in the process!"

At least you're browning nicely over here.

"I have a lovely tan going on at present. Now, my only problem is tan lines!"

We love those, too.
